LIMITATIONS OF USE

The cap is not designed to protect the wearer from falling masses

Protection will only be offered if the cap is fitted correctly

Any cap subjected to severe impact should be replaced immediately

Do not apply paint, solvents, adhesives or self-adhesive labels, except in accordance with instructions from the manufacturer

The attention of users is also drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer

The harness, when in contact with the skin may cause allergic reactions to susceptible individuals

If this occurs leave the hazard area, remove the cap and seek medical advice
