

## Drawer unit 90

- The safety locking prevents other drawers from opening while one drawer is open (we recommend locking the drawers during transport).
- The 110-cm-high drawer units include a cover that doubles as a worktop with a rubber mat.
- The drawer unit can be moved with a pallet truck or a forklift when the base front plate has been removed.
- The drawer units 90 include levelling screws, which help to level the unit on uneven surfaces.
- The drawers are 100% extendable and their load capacity is 75 kg.
- Drawer units are epoxy powder coated in blue, RAL 5007
