Certificate Of Conformity

for

Product: Bi Metal Thermostats
Trademark: Elmwood Ltd
Model/Type Ref.: 2455/3455 R, RM, RD, RC, RP

Additional information (if any):

A sample of the product has been tested and found to be in conformity with:

EN 60-730-2-1

as shown in the test report (reference No:....CL000785.....)

This certificate has been established by a body notified to the Member States and the Commission of the European Communities according to the provisions of Article 11 of the Low Voltage Directive 73/23/EEC of the Council of the European Communities of 19 February 1973.

This certificate of conformity is the result of testing a sample of the product submitted, in accordance with the provisions of the relevant specific standard. It does not imply an assessment of the whole production and does not permit the use of a mark of conformity.
