

# 3SB3 Pushbutton Units and Indicator Lights, 22 mm Inscriptions

## Name plates

### Overview

The name plates consist of a black molded-plastic label holder and a labeling plate (black with white print or silver-colored with black print) for sticking or snapping in place. They are not suitable for EMERGENCY-STOP pushbuttons.

Note insert dimensions!

### Inscription

The inscriptions have upper case initial letters. The symbols, including those not listed in the catalog, are in accordance with DIN Report 4.

### Self-adhesive labels

The labeling plates are self-adhesive.

There are 2 sizes available for the round and square designs:

- 30 mm × 45 mm label holders with 12.5 mm × 27 mm labeling plate
- 30 mm × 60 mm label holders with 27 mm × 27 mm labeling plate

### Snap-on labels

The following versions are available for the round program:

- 29.8 mm × 51 mm label holders with 17.5 mm × 28 mm labeling plates (inscription area: 17.5 mm × 27 mm)
