Product Information

Part #	Finish	RoHS	PCN
ML33G	Black Anodize	RoHS Compliant	

Mechanical Outline Drawing

Thermal Curve

Thermal Resistance	8.50
--------------------	------

Thermal resistance value is based on a 75°C rise in natural convection

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [sales associate](#). Challenge us with your thermal requirements - we can design custom solutions.
