

MaxSteel® "C" Clamp

- ➔ High-visibility, corrosion-resistant finish
- ➔ Advanced frame design resists flexing and bending
- ➔ Heavy-duty, malleable iron and steel construction
- ➔ Roll-formed screw threads ensure smooth operation and durability
- ➔ Oversized "T" handle for extra torque

STANLEY	83-031	83-032	83-033
Length in mm	25	50	75
