

The Stanley Cushion Grip Phillips Tipped screwdrivers have a chrome plated bar which is corrosion resistant, and magnetic tips for easy pick up and screw locator.

The soft-grip handle provides excellent torque and comfort. It has a smooth domed end for fast spinning action, speed and comfort, and the large diameter handle offers greater torque which is needed for driving wood screws. Screw tip identification is shown on the handle.

Type - Phillips

Tip size 1

Blade Length 150mm
