

# Fontus GEN II

## Cordless Leisure Cleaner

### Key features:

Part of the Bosch 18V battery family

4 different spray patterns

Innovative Smart Brush

### Wheels & Extendable Handle

An extendable handle system and sturdy wheels ensure easy manoeuvrability

### Versatile Spray Gun

4 different spray patterns. The right spray for each task

### Water Tank

On-board 15L water tank, sufficient to clean 3 bikes

### 3 Pressure Modes

Ranging from gentle cleaning to tackling tougher dirt

### PowerForALL

Exchangeable with any 18V tool from our PowerForALL family

### Comes with:

18V 2.5Ah battery

18V Charger

Spray Gun

Smart Brush

RRP Inc. VAT

**£269.99**

Part Number

06008B6171

EAN Code

4059952547923

### Key data:

Power source	V	18
Battery Capacity	Ah	2.5Ah
Max. Pressure	Bar	20
Tank Capacity	L	15
Charge Time	mins	105
Run Time	mins	60
Weight	Kg	11

# EasyPump

## Cordless Air Pump

Versatile and efficient helper for a wide range of pumping activities

### Simple

Clean and bright display design – easy to read even during broad daylight with two lines – displays current and target value

### Compact and Handy Design

Simple operation switch with 30° angle for easy operation also while kneeling. Slim and ergonomic handle.

### High Runtime

Lasts for 4 tyres and a bike based on integrated battery

To extend the warranty of your new Bosch tool from 2 to 3 years, please visit [www.MyBosch-Tools.com](http://www.MyBosch-Tools.com) within 28 days of purchase and register it in 'MyBosch'.

### Convenient and Precise

Pre-select function allows for precise settings of pressure value and automatic pumping up to 10.3 bar

### Integrated Work Light

Illumination of valve area improves efficiency

### All Accessories at Hand

With an integrated accessory storage you will be prepared for every situation. Valves include: Ball needle, French valve, Balloon adapter

### Comes with:

French-valve adapter

Ball needle

Balloon adapter

USB-C® Cable

Fabric bag

### Key data:

RRP Inc. VAT	£69.99
Part number	0.603.947.000
EAN Code	3165140997010

### Key features:

USB-C® cable – reversible and faster charging

3.6 V  
Lithium-Ion

Lithium-ion Bosch battery technology

Battery status indicator on the LED display

### Key specifications:

Voltage	V	3.6
Capacity	Ah	3.0
Max Pressure		150 PSI / 10.3 bar
Air Volume	L/min	10.6
Hose length	cm	24
Weight	kg	0.43
