## Acti 9 iC60H Circuit Breakers – 10kA – Type B Characteristic

iC60H circuit breakers are multi-standard circuit breakers suitable for industrial isolation in accordance to **BS/EN 60947-2 / BS/EN 60898-1**. These are direct replacements for the **Multi 9 C60HB** family.

### Acti 9 iC60H RCBO – 10kA – Type C Characteristic

Single-phase iC60H RCBO's are self-contained residual current device capable complete protection of final circuits in accordance with **BS EN 61009-1**. These are replacements for the **Multi 9 C60HRCBO** family.

26970a	-	A9A26970	7912789	Padlock device x 10 - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex - Padlock diameter 3...6mm
26975a	-	A9A26975	7912783	Terminal shield - 2x1 pole - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex
26976a	-	A9A26976	7912792	Terminal shield - 2x2 poles - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex
26981a	-	A9A26981	7912773	Screw shield - 20x4 poles (splittable) - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex
26982	-	A9A26982	7912786	Screw shield - 12x1 pole - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex
27001a	-	A9A27001	7912770	Interpole barrier x 10 - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex
27062	4179863	A9A27062	7912767	Spacer x 5 - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex - Includes space for cable routing
		A9A26963	7912809	iMNs Undervoltage release (0.2sec delay) 220...240V AC compatible with iC60, iID, iDPN Vigi
		A9A27005	7913023	Rotary handle (for 2/3/4 pole) x 1 - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex - Complete assembly includes black handle
		A9A27006	7913032	Rotary handle (for 2/3/4 pole) x 1 - Accessories compatible with iC60, iID, iDPN Vigi, iSW and Reflex - Complete assembly includes red handle

### Acti 9 Isobar A & B type distribution boards

Compliant with BS EN 61439-3. Type A = SP&N Distribution Board with a busbar rating of 125A.

Type B = TP&N Distribution Board with a busbar rating of 250A.
